### **DESCRIPTION**

Warren County Community College and Warren County School Districts recognize the value of a program that allows high school students to begin to accrue college credits while completing their high school experience. The HEADS UP Enrollment Program is a partnership program linking high schools and the College to provide qualified high school students with an opportunity to enroll during part of the school day in general education transferable courses. Students who successfully complete these courses will earn College credit, which will be documented on an official WCCC transcript. Students will have the option to apply the credits directly to a WCCC degree program or transfer them to another college or university as they pursue their higher education options.
